Dear Hiring Manager,

Thank you for taking the time to review my application. I would like to express my sincere interest in the Accountant position within your organization.

With over 11 years of accounting experience in the construction industry, I have developed strong expertise in financial operations, accounting compliance, taxation, and administrative support. I am confident that my professional background, technical skills, and commitment to excellence would allow me to contribute effectively to your finance team.

Throughout my career, I have gained extensive experience managing full-set accounts, including Accounts Payable (AP), Accounts Receivable (AR), General Ledger (GL), bank reconciliations, month-end closing, and financial reporting. In my previous role as an Accounts and Admin Officer, I was responsible for overseeing daily accounting operations while ensuring compliance with financial policies, statutory requirements, and internal controls.

I hold a Diploma in Management Accounting (UK) and possess practical experience in Singapore accounting practices, including GST submission, CPF contributions, and Estimated Chargeable Income (ECI) filing. In addition, I am proficient in accounting software such as Xero, QuickBooks, and MYOB, enabling me to adapt quickly to different accounting systems and business environments.

To further strengthen my professional capabilities, I am currently pursuing ACCA while continuously updating my knowledge of accounting standards, taxation, and financial reporting requirements. I am a detail-oriented, responsible, and proactive professional who values accuracy, integrity, and continuous improvement.

I am excited about the opportunity to contribute my accounting expertise, analytical skills, and strong work ethic to support your organization's financial operations and long-term success. I would greatly appreciate the opportunity to further discuss how my experience and qualifications align with your requirements.

Thank you once again for your valuable time and consideration. I look forward to hearing from you.

Yours sincerely,

Muyar Moe
